

# Health Advocate's experts can find the right doctors **when you need it most**

When it comes to finding a qualified doctor, you don't want to leave it to chance. Turn to Health Advocate for help finding the right, qualified providers to meet your specific medical needs.

## Our experts can:

- **Identify leading** in-network doctors, specialists, hospitals and other providers
- **Research top experts** and Centers of Excellence for second opinions
- **Make appointments** and transfer medical records
- **Help you prepare** for your visits, including questions to ask

Health Advocate is available at no cost to employees, spouses, dependents, parents and parents-in-law. Completely confidential.

## Come prepared to your doctor visits

The Health Advocate Medical Visit Checklist Builder helps you get the most from your visits.

Just answer a few questions to create a customized checklist with the right questions to ask before, during and after your appointment.
