## **HISTORY**

The Catala Club of Santa Clara University was established by Father James J. Lyons, S.J. in 1930, one hundred years after the death of Magin Catala, O.F.M. who was known as the “The Holy Man of Santa Clara.”

Magin Catala was born in Spain on June 13, 1761 and entered a Franciscan Monastery at the age of sixteen. On completion of his theological studies, he was ordained a priest in 1785. The following year, Father Catala left Spain and spent the next six years in apostolic work among the Indians in the mission areas of New Spain, now the Republic of Mexico.

In 1794, Father Catala arrived at Mission Santa Clara in Alta California and spent the next thirty-six years teaching the basics of Christianity and instructing the neophytes how to read, write and farm their crops. His ministry and dedication improved the lives of the native Californians and his exemplary life became known throughout the land.

Father Catala died on November 22, 1830 and his body was interred in the Mission Church on the Campus of Santa Clara University. A bronze plaque commemorating his life and indicating the special site of his grave is located to the left of the Crucifix Altar in the Mission Church.

## **WHAT IS CATALA CLUB**

Concerned for the welfare, care and comfort of the young men attending Santa Clara University, Father James Lyons, S.J. founded Catala Club on April 27, 1930.

Working with the wives and friends of the Santa Clara community, the main focus of the Club was to make the students feel cared for, comfortable and supported. Over time, this was done by decorating and providing furniture, meals and necessities in Nobili Hall, Adobe Lodge and the Donohoe Infirmary.

They also established a student loan fund that, in the 1950's, became the Catala Club Scholarship Fund. Over the years, Catala Club has evolved into a women's service organization, raising funds to continue its mission of providing scholarships to Santa Clara University undergraduate students as well as supporting other programs (academic, health, etc.) within the University system.

Catala Club has a long tradition of selfless service and dedication to Santa Clara University. The motto of the Club is “Service, Support and Spirituality.”

## **MEMBERSHIP**

Membership in Catala Club is open to alumnae of Santa Clara University, mothers, sisters or relatives of students (past and present), guardians of students, wives of alumni, mothers/relatives of Jesuits, feminine benefactors and friends of the University.

Catala Club welcomes women of all faiths who share their spirituality through their common awareness of a Christian life. Catala links the past to the present by cherishing the University traditions and goals established by St. Ignatius of Loyola.

## **PURPOSE**

Catala Club's main activity is to provide financial assistance to undergraduate students at the University. Fund raising events are held periodically. The proceeds are assigned to the Catala Club Endowed Scholarship Funds of Santa Clara University as determined by the current Board of Directors.

Many members of Catala also belong to other campus organizations and many are recognized through the President's Club for their generosity. Catala Club members serve the University by cooperating in various other University endeavors.

The objectives of the Santa Clara University Catala Club are those proper to an organization of service founded for the benefit of all the University. Catala Club shall stimulate enthusiasm and support for all those educational programs and social functions that assist Santa Clara University in achieving its academic goals. The Club serves the University by providing certain scholarships for undergraduate students. It instills in its membership vital interest in the history and traditions of the University by particularly promoting the family spirit that from early years has prevailed on campus. Catala Club remains at the service of the President of the University in those activities considered proper to Santa Clara's general welfare.

### **ACTIVITIES**

Catala Club holds monthly general meetings in the months of September through May. Many meetings are held on Campus and feature informative programs, speakers and/or entertainment. There are at least two liturgical celebrations scheduled each year which usually occur in the Mission Church. In addition, various special programs and performances are planned throughout the year such as a homecoming tea and social, silent auction dinner dances, a fashion show, boutiques, bus trips, wine tasting and luncheons, a benefit shopping day, theater parties, summer socials . . . all for fun fund raising.

A monthly newsletter communicates Catala's activities to membership.

### **SYMBOLS**

# SANTA CLARA UNIVERSITY CATALA CLUB

## ORIGINAL 1930 PREAMBLE

As the University of Santa Clara has been in existence more than three quarters of a century, and as its expansion is commensurate with its years, it has been thought well to safeguard the pristine glories of the days of Mission and of College, to keep alive their traditions and to secure them their due place in the University.

To obtain this end more efficaciously, an organization has been formed in this year of Our Lord nineteen hundred and thirty, the one hundredth anniversary of the death of Padre Magin Catala, known as the Holy Man of Santa Clara in whose honor it will be known as the Catala Club.

That this organization may pursue its objects with greater success, it has been deemed necessary that a constitution and bylaws be written.

## ARTICLE IX

### *Nomination and Election of Officers and Board Members*

**Section 1.** At Catala Club's January general meeting, a Nominating Committee of seven members shall be named as follows:

Two members are selected by the President from the current Board of Directors. At the general meeting of the Club, the President shall ask the Parliamentarian to read the Bylaws on nomination (Article VIII) and announce the names of the members who served on the Nominating Committee the previous year. No member shall serve for two consecutive years on the Nominating Committee.

The President shall then call for the election of five members and two alternates from the general membership who have been active members in good standing for at least six months and who agree to serve. If such nominee cannot be present at the general meeting, the nominee's written consent may be obtained prior to the meeting and presented at the meeting. This committee of seven members shall meet at the discretion of its Chair to prepare a list of candidates for the offices of President, First Vice President, Second Vice President and other Officers and members of the Board.

**Section 2.** At the February or March general meeting of the Club, the list of candidates for the Officers and for members of the Board of Directors shall be announced by the Chair of the Nominating Committee or by her appointee. The President shall then ask if there are nominations from the floor. These names, if any, shall be added to the list prepared by the Nominating Committee. Then the President shall ask that all nominations be closed.

**Section 2a.** If there are no nominations from the floor, it may be moved and seconded that the election takes place immediately.

**Section 2b.** If there are nominations from the floor, a ballot with write-in space will be provided and an election will take place immediately.

**Section 2c.** The candidate receiving the majority of votes shall be declared elected to an office or to membership of the Board of Directors.

**Section 3.** Unless circumstances dictate to the contrary, only members in good standing for a period of one year shall be eligible for election to an office of the Club. It would be beneficial that any person accepting the office of First or Second Vice President consider continuance to the office of President.

**Section 4.** The members of the Board of Directors shall be elected for a period of two years.
